# What Kind of Mindset Do You Have?

I can learn anything I want to.  
When I'm frustrated, I persevere.  
I want to challenge myself.  
When I fail, I learn.  
Tell me I try hard.  
If you succeed, I'm inspired.  
My effort and attitude determine everything.

I'm either good at it, or I'm not.  
When I'm frustrated, I give up.  
I don't like to be challenged.  
When I fail, I'm no good.  
Tell me I'm smart.  
If you succeed, I feel threatened.  
My abilities determine everything.

## How to help and support

- Acknowledge and listen to students' feelings and concerns
- Encourage time for wellbeing activities
- Anxiety may feel inevitable, but it can be changed and controlled
- Adopt a cycle of 'self-regulated learning' for studying and revision to build confidence and control
- Be aware of negative or unrealistic thoughts underpinning and creating the anxiety
- Keep challenging the negative thoughts
- Remind students that they won't be negatively judged for their results and they are not alone

## Who are we?

Healthy Minds Lincolnshire provide emotional wellbeing support for children and young people up to 19 years old. If you have a special educational need or disability or are a care leaver we can see you up to the age of 25.

Everyone at some point might find it hard to cope with how they are feeling or what is happening in their life. HML provides early support when you start to feel that life is getting out of control and you need some help to cope.

Our teams are made up of a variety of professionals. All staff are referred to as HML Practitioners and have a nursing, social work, counsellor, teaching, or mental health background.
